ListIndependentContractors	BookKeeper
HireIndependentContractors	LocalFishExperts
	GeneralContractors
	BoatingExperts
	MuseumExperts
	FishingGuides

- "Keep track of", "Manage", and "Update" as these verbs denote a continuous process. Remember that each process must have a single starting point and a single ending point.
- "Database", "Data" and "Records (noun, not the verb)" – Updating databases is an object level activity and belongs in the discussion of object interaction (SYS466)
